2) Users

3.1) Users Search

3.2) Users Edit

3.3) Users Create

The screenshot shows a modal form titled "Nuevo Usuario" for creating a new user. The form includes the following fields and controls:

- Username**: Text input field.
- Email**: Text input field.
- Name**: Text input field.
- Role**: Dropdown menu with "GUA" selected.
- Password**: Text input field.
- Confirm Password**: Text input field.
- Status**: Dropdown menu with "ACTIVE" selected.
- Validation Message**: "Usuario requerido" (User required) in red text.
- Buttons**: "Cancelar" (Cancel) and "Guardar" (Save) buttons.

The background shows a blurred view of the "Users" management page with a table of existing users and a "+ New User" button.

3.4) Users Delete

The screenshot shows the "Users" management interface with a confirmation dialog box open. The dialog box contains the following information:

- Message**: "Delete Guardia_02?"
- Buttons**: "Aceptar" (Accept) and "Cancelar" (Cancel) buttons.

The background shows the "Users" management page with a table of users. The table has the following columns: "Usuario", "Nombre", "Email", "Rol", "Estatus", and "Acciones".

Usuario	Nombre	Email	Rol	Estatus	Acciones
Guardia_02	Juan Lopez	Guardia_02@gmail.com	GUA	ACTIVE	Edit Delete
Guardia_01	Francisco Tellez	guardia_01@gmail.com	GUA	ACTIVE	Edit Delete

3) Streets

The screenshot shows the "Streets" management interface. The page includes a sidebar with navigation links and a main content area with a search form.

Sidebar:

- RLV Access System
- Dashboard
- Streets** (Active)
- Residents
- Directory
- Audit
- Active Users
- Users
- Set up
- Welcome: SysAdm
- Role: SYS

Main Content Area:

- Title**: "Streets" (Residential streets catalog)
- Buttons**: "+ New Street"
- Search Form**: Includes a "Search" input field, "Search" and "Clear" buttons.
- Message**: "Search streets to display data"

4.1) Streets Search

The screenshot shows the 'Streets' management page in the 'Sistema Residencial RLV'. The left sidebar contains navigation links: Dashboard, Streets (active), Residents, Directory, Audit, Active Users, Users, and Set up. The main content area has a search bar with the placeholder 'Street name...' and buttons for 'Search' and 'Clear'. Below the search bar is a table with three columns: 'Street', 'Created At', and 'Actions'. The table lists three streets: 'Calle Emiliano Zapata', 'Calle Puebla', and 'Calle Ignacio Aldama S/N', each with an 'Edit' button and a 'Delete' button. A '+ New Street' button is located in the top right corner.

Street	Created At	Actions
Calle Emiliano Zapata	2026-06-08 19:19:26	Edit Delete
Calle Puebla	2026-06-08 19:19:08	Edit Delete
Calle Ignacio Aldama S/N	2026-06-08 19:18:42	Edit Delete

4.2) Streets Create

The screenshot shows the 'Streets' management page with a 'New Street' modal dialog open. The modal has a title 'New Street', a subtitle 'Residential streets catalog', and a close button (X). It contains a 'Street Name *' field with the placeholder 'Street name'. At the bottom of the modal are 'Cancel' and 'Create' buttons. The background shows the same search and table interface as in the previous screenshot.

4.3) Streets Update

The screenshot shows the 'Streets' management page with an 'Edit Street' modal dialog open. The modal has a title 'Edit Street', a subtitle 'Residential streets catalog', and a close button (X). It contains a 'Street Name *' field with the value 'Calle Emiliano Zapata'. At the bottom of the modal are 'Cancel' and 'Update' buttons. The background shows the same search and table interface as in the previous screenshots.

4.4) Streets Delete

The screenshot shows the 'Streets' management page in the RLV system. A modal dialog is displayed in the center, asking for confirmation to delete the street 'Calle Emiliano Zapata'. The dialog has two buttons: 'Aceptar' (Accept) and 'Cancelar' (Cancel). The background interface includes a sidebar with navigation options like Dashboard, Streets, Residents, Directory, Audit, and Active Users. The main content area shows a search bar and a table with columns for Street, Created At, and Actions. The table currently lists 'Calle Emiliano Zapata' with a creation date of '2026-06-08 19:19:26' and 'Edit' and 'Delete' action buttons.

4) Residents

The screenshot displays the 'Residents' management page. The interface includes a sidebar with navigation options and a main content area with a search bar and a table. The search bar has fields for Resident Name, Owner Name, Street, and Status, along with 'Search' and 'Clear' buttons. The table below the search bar is empty, displaying the message 'No residents found'. The top right corner shows the user 'SysAdm' and a 'Logout' button.

5.1) Residents Search

The screenshot shows the 'Residents' management page with search results. The search bar is filled with 'Alejandro Perez Sanchez', 'Calle Ignacio Aldama S/N', 'All Streets', and 'All Status'. The 'Search' button is clicked, and the table below displays three results. The table has columns for Resident, Street, House, Status, Phone, and Actions. The results are as follows:

Resident	Street	House	Status	Phone	Actions
Alejandro Perez Sanchez Alejandro Perez Sanchez	Calle Ignacio Aldama S/N	TER	ACTIVE	5598346732	Edit Delete
Azucena Mejia Vazquez Azucena Mejia Vazquez	Calle Puebla	CAS	ACTIVE	5533327865	Edit Delete
Cesar Israels Lopez Lopez Maria Julissa Flores	Calle Emiliano Zapata	DEP	ACTIVE	5566778899	Edit Delete

5.2) Residents Create

The screenshot shows a modal window titled "New Resident" with the subtitle "Residential management form". The form contains the following fields:

- Street ***: A dropdown menu with "Select Street" as the placeholder.
- Resident Name ***: A text input field with "Resident full name" as the placeholder.
- Owner Name**: A text input field with "Owner full name" as the placeholder.
- House ***, **Lot**, and **Block**: Three separate text input fields.
- Phone 1**, **Phone 2**, and **Phone 3**: Three separate text input fields.
- Email**: A text input field.

In the background, a sidebar menu is visible with options like "Resident", "Search", and "Actions". The "Actions" section includes "Edit" and "Delete" buttons for each resident entry.

5.3) Residents Update

The screenshot shows a modal window titled "Edit Resident" with the subtitle "Residential management form". The form contains the following fields:

- Street ***: A dropdown menu with "Calle Ignacio Aldama S/N" as the selected value.
- Resident Name ***: A text input field with "Alejandro Perez Sanchez" as the value.
- Owner Name**: A text input field with "Alejandro Perez Sanchez" as the value.
- House ***, **Lot**, and **Block**: Three separate text input fields with values "TER", "B", and "2" respectively.
- Phone 1**, **Phone 2**, and **Phone 3**: Three separate text input fields with values "5598346732", "6655448877", and an empty field respectively.
- Email**: A text input field.

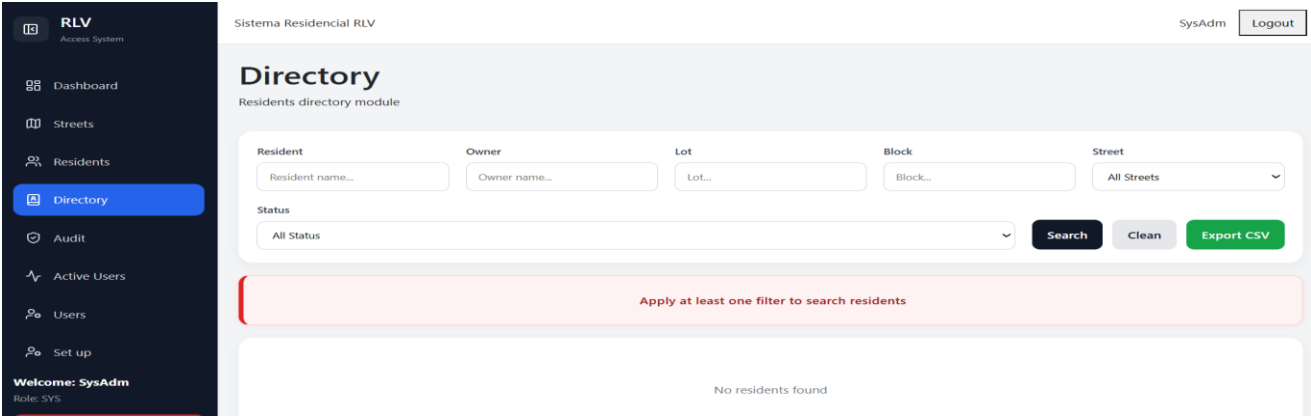

In the background, a sidebar menu is visible with options like "Resident", "Search", and "Actions". The "Actions" section includes "Edit" and "Delete" buttons for each resident entry.

5.4) Residents Delete

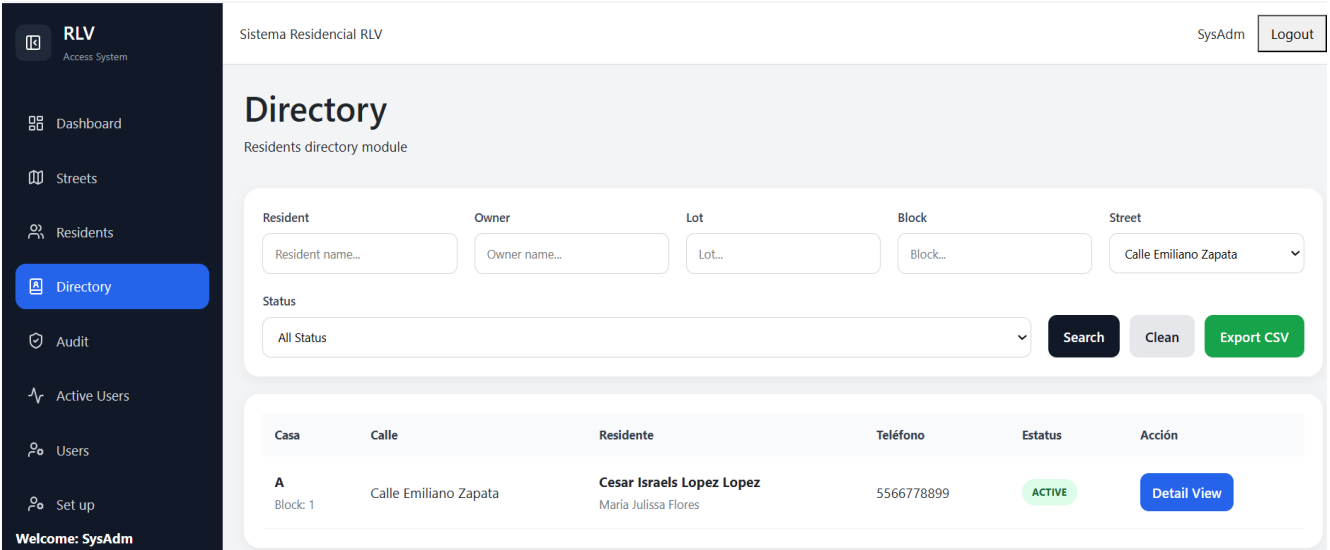

The screenshot shows the "Residents" page in the Sistema Residencial RLV application. A confirmation dialog is displayed over the page, asking "Delete resident Alejandro Perez Sanchez?". The dialog has two buttons: "Aceptar" (Accept) and "Cancelar" (Cancel).

The background shows the "Residents" page with a sidebar menu and a table of residents. The table has columns for Resident, Street, House, Status, Phone, and Actions. The resident "Alejandro Perez Sanchez" is listed with the address "Calle Ignacio Aldama S/N", house "TER", status "ACTIVE", and phone "5598346732". The "Actions" column for this resident has "Edit" and "Delete" buttons.
